Tomato Paste in 70 g Sachets

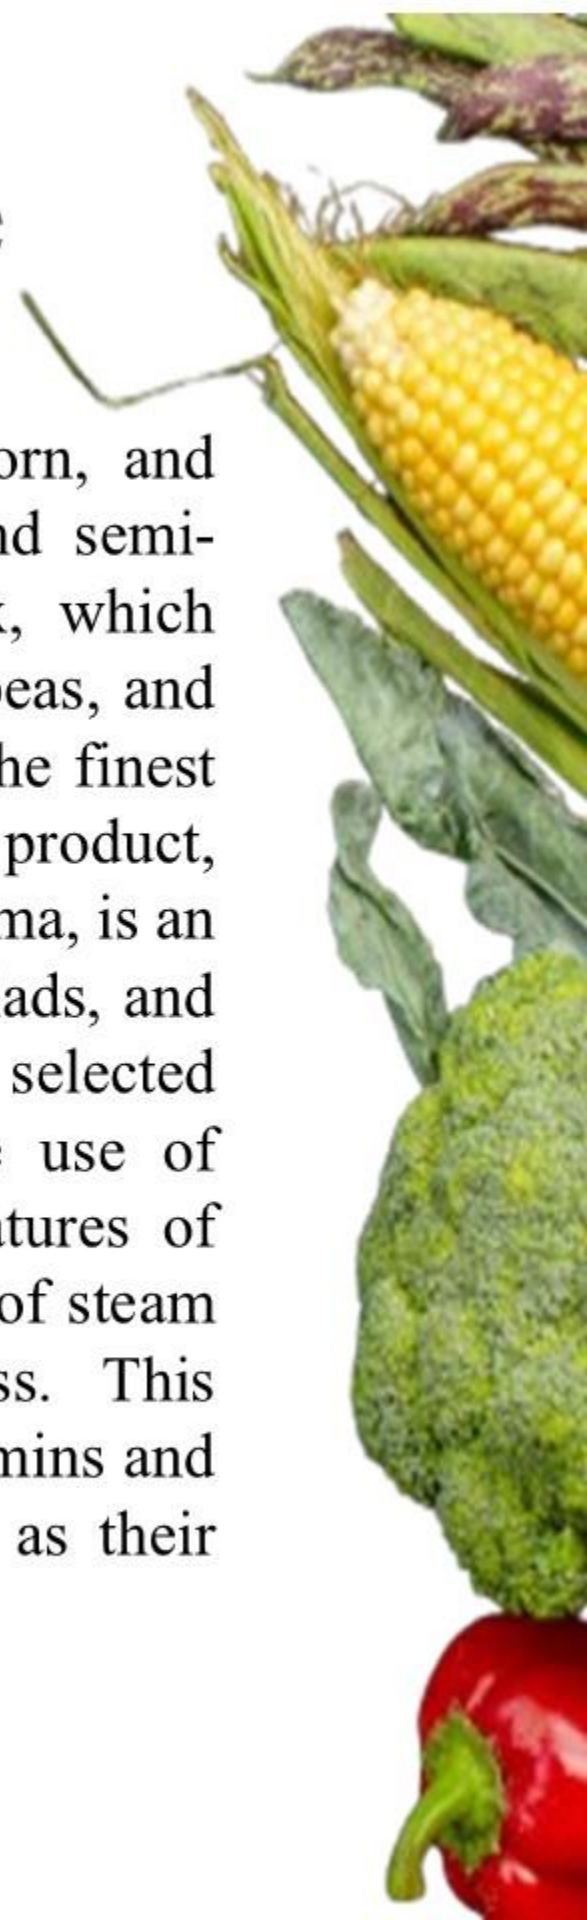

70 -gram sachets with a Brix concentration of 27 and a color range of 2 - 2 . 2

Mixed- Vegetable

The mix includes sliced carrots, corn, and green peas, prepared as steamed and semi-cooked. Our canned vegetable mix, which consists of sweet corn, fresh green peas, and delicious carrots, is produced from the finest and highest quality ingredients. This product, with its natural taste and pleasant aroma, is an ideal choice for adding to dishes, salads, and soups. All vegetables are carefully selected and grown organically without the use of chemicals. One of the standout features of our canned vegetable mix is the use of steam cooking in the production process. This method helps to preserve all the vitamins and nutrients in the vegetables, as well as their natural taste and color
